meeting!

INVITATION

Dear Client,

It's fair time again!

As always, **RM Components** will be exhibiting at **electronica 2024**, and we are excited to be part of it.

From **November 12th to 15th**, you can find us in **Hall A6, Booth 439**. We warmly invite you to visit us for a personal conversation at our booth.

Our CEO, Philipp Kappes, emphasizes: „Trade fairs such as the electronica foster innovation, communication, and our long-standing partnerships. Personal conversations always help us to better understand customer needs, learn from them, and develop new solutions together.“

We look forward to seeing you and catching up, whether at our suggested appointment time or at a time of your convenience!
